

## Elections in IFAGG General Assembly 2024

### Candidates for IFAGG Council members 2025-2028

According to IFAGG statutes the General Assembly (GA) shall elect the IFAGG Council. The Council consists of the President and eight (8) Council members. The term of office for the President and members of the Council shall be four years. 1/4 of the Council members (e.g. depending on the year two Council members or two Council members and the President) shall be elected every year to replace those in turn to retire. Until 2026 we are using the transition model for IFAGG Council positions as in the previous IFAGG Statutes the number of Council members and the length of the term of office have been changed due the new Statues of IFAGG.

In 2024 (when 4 council members' terms are at end), 3 current previously elected members of the Council resign and the positions are open for election, as is also the position of council member who got lowest vote in 2023. Of the elected, the 2 candidates getting the highest votes are elected for 4-year-term (for 2025-2028), and candidate with the third-highest votes is elected for 2-year-term (for 2025-2026) and candidate with 4th highest votes is elected for 1-year-term (for 2025).

Council members with their terms at end in 2024: Elena Dukova (BUL), Annely Riga (CAN), Renata Vrbova (CZE) and Anastasya Telegina (ISR). The president Liliya Morozova (RUS) and Council members Lea Kriibi (EST), Saori Kubota (JPN), Sarah Sherif (EGY) and Jaana Widenius (FIN) were elected in GA 2023 and shall continue their work.

IFAGG received and approved as required seven (7) nominations for candidates for Council members before the due date 14th of September 2024 for period 2025 – 2028. We have seven (7) candidates for four (4) places on the Council.
