

AV-A ARTISTIC QUALITY DEDUCTION TABLE: TEAM _____

COUNTRY _____

AGG QUALITY (2.0)			STRUCTURE (2.0)				EXPRESSION AND MUSIC (1.0)				
Mistakes and deductions		Max	score	Mistakes and deductions		Max	score	Mistakes and deductions		Max	score
AGG technique	Composition does not show the total body movement technique: -0.3 during some parts of the program -0.5 during the whole program	0.5		Unity	Composition does not form a total unity: -0.1 during some parts of the program -0.2 during the whole program	0.2		Character and style of the composition	Character and style of the composition is not developed: -0.1 during some parts of the program -0.2 during the whole program	0.2	
				Variety of the composition	Variety in directions, planes and levels: Staying too long (more than 10 sec) in one direction, plane or level: -0.1 / each time Not showing all the required criteria (direction, plane and level): -0.1 / each time	0.3					
Variety in use of space and formations: Staying too long (more than 10 sec) in the same space or same formation: -0.1 / each time Same formation and/or same location of the formation is overused (used more than three times): -0.1 / each time Some parts of the competition area are not used: -0.1 Less than 10 geometrically different formations: -0.1	0.5										
Variety in travelling: Travelling without a logical reason (illogical change of place): -0.1 / each time Same way of travelling is overused (used more than three times): -0.1 / each time	0.3										
Variety of body movements: Not fulfilling all required criteria: -0.1 Similar body movements are overused: -0.1	0.1										
Variety of balances: Not fulfilling all required criteria: -0.1	0.1										
Fluency in linking movements and movement series	Movements and movement series are not fluently and naturally connected to the previous or next movements: -0.3 during some parts of the program -0.5 during the whole program	0.5		Expressive body language	Body language is not expressive and/or appropriate for AGG: -0.1 during some parts of the program -0.2 during the whole program	0.2		Music	Music does not support the composition (background music): -0.1 during some parts of the program -0.2 during the whole program Music is not variable: -0.1 Music is not appropriate for the team (skills, age, ect.): -0.1 Music stops before or after last movement: -0.1 Disconnected music (illogical combination of music, music is poorly linked, disconnected additional effects, music ended by breaking up abruptly, etc.): -0.1 / each time	0.6	
Tempo and dynamics	Missing at least one clearly fast part: -0.1 Missing at least one clearly slow part: -0.1 Missing at least one clearly strong part: -0.1 Missing at least one clearly soft part: -0.1	0.4
