

Newsletter 2/2022 from IFAGG

Dear IFAGG members,

Greetings from IFAGG Office! Here you have the second newsletter of this year. We have gathered you some important info here to read.

Please, follow our [website \(www.ifagg.com\)](http://www.ifagg.com) to stay updated.

Official complaint

The IFAGG Council decided on 500 € refundable deposit money for official complaint to Ethical Committee or Council. The official complain can be done only by the official IFAGG member. If the complaint is proved to be justifiable, the money will be refunded.

Keeping the judges license 2022

Keep the license for 2022 (without raising the level)

- Judge in min. 1 B-category competition

or

- Participate in Judge course

Exception: In case judges are from own country with restrictions (not allowed to travel for some reason - Covid restrictions, War situation or other force majeure situation), could participate in min. 1 online competition (judging the whole competition).

Judges papers on IFAGG website

We are happy to inform that all the material needed for judging can be found on our [website](http://www.ifagg.com). This is the way you find them:

Main page, choose Documents → Judging documents.

Registration document of your national organization

IFAGG is asking all the members who still haven't send an official registration document of the national federation or club, to send it at the latest 15th of April. This is needed because IFAGG is willing to develop AGG and protect IFAGG members. For these reasons IFAGG needs all the information about the members and their organizations.

We would also like to remind about the judges' info. Some members haven't sent it yet.

General Data Protection Regulation (GDPR)

The General Data Protection Regulation is a regulation on EU data protection. The aim of GDPR is to protect individuals control and rights over their personal data. This means that we are not allowed to share anyone's personal data like mail addresses to other people. This is a reminder to IFAGG members to respect these regulations and respect other IFAGG members.

Extraordinary General Assembly 2022

More info about this year's general assembly will be published shortly.

See you soon, stay safe and healthy!
