

Technical Committee greetings for IFAGG members

10th of February 2023

The year 2023 has started with the new competition rules for junior and women long program. In order to make rules even more clear for everyone, TC has opened the possibility to ask clarifications about the rules. Please, submit your questions at the latest on the 22nd of February 2023. The questions can be submitted [here \(https://forms.office.com/e/KRXWhXFdVx\)](https://forms.office.com/e/KRXWhXFdVx). TC will prepare answers for the questions and publish them.

Let's make the year 2023 a great IFAGG 20-years anniversary year!
