2023-2025

Official Email: asia@ifagg.com

Introduction

We are delighted to provide an update on the progress made by the Asia Working Committee since its inception on January 13th, 2023.

Objective:

The Asia Working Committee aims to design and execute strategies that facilitate the growth of AGG's influence in Asia. The committee is also tasked with identifying potential AGG countries.

Progress:

We are delighted to report substantive progress toward our committee's goals. Please find below some notable achievements:

- Implementing the Asia Cup Ranking System to promote recognition and encourage growth of the sport in the region.
- The successful hosting of the International Asia Coaching Course aimed at enhancing the skills of coaches in the area.
- Secured the position of the first Asian nation to host the World Championship.

Challenges:

While we have made progress, we are currently facing challenges as we strive to move forward. The obstacles that we are encountering include:

- Effectively managing language and cultural barriers in the region
- Coordinating meetings with prospective partners in different time zones.
