WHAT I CAN CONTRIBUTE TO IFAGG

Governance & Administration	Contribute my federation management experience to IFAGG Council work.
Rules & Judging	Support clear rules, judge education and consistent judging.
International Cooperation	Support better communication and cooperation with member federations.
Member Support	Help developing federations understand IFAGG rules, event requirements and administrative procedures, while bringing their practical needs and regional perspectives into IFAGG discussions.
Education & Development	Support accessible education and development opportunities for coaches and judges.
AGG Development	Contribute practical experience to support the continued growth of AGG.

AGG DEVELOPMENT & REGIONAL CONTRIBUTION

- Contributed to the establishment and continued growth of AGG in Malaysia through national, state, club and school development.
- Organizes competitions, workshops, masterclasses and judge-development activities.
- Coordinates Malaysian participation in IFAGG and other international competitions.
- Supports Safe Sport, education and development opportunities for emerging AGG countries.

SEA GAMES CONTRIBUTIONS

- Contributed to the proposal for AGG's inclusion in the SEA Games, including event format, team composition and judging requirements.
- Developed rhythmic gymnasts who were selected for the Malaysian national team and later contributed to Malaysia's SEA Games success.

NATIONAL SPORTS & RHYTHMIC GYMNASTICS EXPERIENCE

Coach / Head Coach | National Sports Council of Malaysia • *2003–2012*

- Worked within Malaysia's high-performance sports system as a State Head Coach, developing gymnasts for the national pathway

Rhythmic Gymnastics Coach, Choreographer & Director | Malaysia and Chinese Taipei • *2004–Present*

- More than 20 years of coaching and choreography experience across RG, AGG, Gym Dance and Gym for Life.
- Developed medal-winning gymnasts at national and international levels, including the SEA Games pathway.
