Criteria for A and B groups in World Championships

IFAGG World Championships and Junior World Championships participants will be divided in 2 groups: A group and B group. Both Championships starts with "B" group and will continue with "A" group. The teams are divided in each group according to following criteria.

Criteria for Group "A"

- To be a finalist in World Cup or Challenge Cup during the year of IFAGG World Championships or Junior World Championships (min. total score 44.00)
- The hosting country of the World Championships (the hosting countries decided by GA)
- Countries from different continents

If there are more than 2 teams per country fulfilling this criterion, country will decide which teams will be in "A" group and which teams will be in "B" group.
