The objects of the IFAGG are:

- The promotion, development and organization of Aesthetic Group Gymnastics world-wide.
- Encourage friendly relations between all AGG gymnasts, officials and other people and entities involved.
- To conform with and respect the general principles and rules of the international sport movement.

IFAGG:

- Represents International Aesthetic Group Gymnastics activities solely to all partners, such as public authorities, media and other exclusively.
- Act as the supreme authority on all matters relating to international Aesthetic Group Gymnastics.

The further tasks of IFAGG shall among others be:

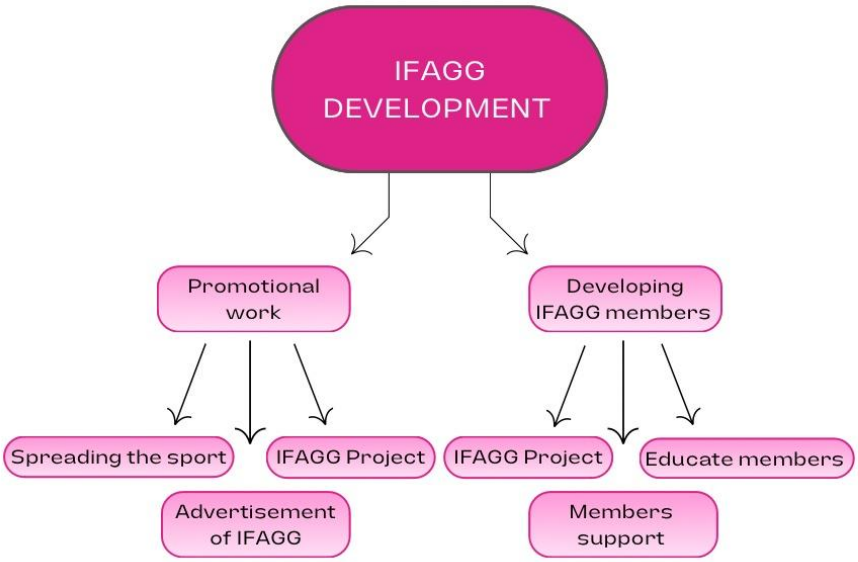
- To commission and supervise World Championships, other IFAGG competitions and AGG international competitions in all recognized disciplines of Aesthetic Group Gymnastics. Detailsshall be governed by the IFAGG regulations.
- To draw up universal rules and guidelines for sport of Aesthetic Group Gymnastics and tosupervise their proper application.
- To maintain cordial relations with other international sports organizations and represent theinterests of IFAGG and the sport of Aesthetic Group Gymnastics in its dealings with them.

GENERAL PLAN OF ACTION 2027

The year 2027 IFAGG celebrates its 24th year of activities. For this period IFAGG has members in 6 continents and total 51 countries which develop the sport AGG. For the new season, IFAGG's key strategic priority is to strengthen its international standing by working towards recognition by the International Olympic Committee, membership in leading international sports organisations, and participation in major international sporting events.

The IFAGG will continue to work following democratic principle of leading the Federation, will prevent any discrimination against a country, or an individual, or group of people for reasons of race, skin colour, ethnic, national or social origin, religion or politics, gender, sexual orientation, or any other status, opinion or reason. We plan to continue following the Code of Conduct to maintain and further improve the quality of competitions. The Code will also be used to support the ongoing development of judging standards and practices.

Five years ago, IFAGG started active investment in development process, and the Federation will continue the development of IFAGG by spreading the sport and supporting IFAGG members in all levels.



Education

Education for IFAGG members will be continued in 2027. We will include in this process organizing courses for beginner judges, advanced technical courses, will expand the program of management education and training on rules for Mixed teams, short program and new children's rules which came into effect in January 2026. Additionally, we plan to continue holding conferences in various directions.

AGG coach education will also see significant improvement. IFAGG plans to develop a program for advanced education of coaches.
IFAGG recognizes the importance of supporting members to make their work more efficient, effective, and successful. We believe that by providing more opportunities for knowledge acquisition and accessible information across various fields, IFAGG will grow stronger and become a more dynamic and professional organization.

Developing the Competition systems

The development of competition systems will remain a key priority for IFAGG. In 2027, IFAGG will focus on the following actions:

- Continue expanding the competition calendar to meet the interests of all continents.
- Creating more opportunities and visibility for a larger number of people and boosting participation at the international level.
- Organizers C-category competitions under new conditions aimed at mass and motivation for AGG.
- Continue developing the children's categories on the competition level by holding the children IFAGG championship in 2027
- Supporting the organizing of educational events, such as courses, camps, workshops, and seminars, for IFAGG members at both the international and national levels.

Spreading the sport of AGG

IFAGG recognizes the importance of making Aesthetic Group Gymnastics (AGG) more popular within member countries and encouraging new nations to join the IFAGG community. A promotion plan that began in 2022, through a special IFAGG Educational and Development Project, aims to grow the sport and increase membership in the federation. This initiative will continue into 2027, focusing on educating IFAGG members while promoting and expanding the reach of AGG.

Our goal is to raise the visibility of IFAGG competitions, events, and activities.

Additional promotion strategies on the agenda for the Promotional Committee include:

- Develop the official IFAGG YouTube channel
- Develop IFAGG social media channels and making them more popular and presentable
- Participating in international sports forums and conferences
- Combining AGG competitions with other gymnastics events and competitions
- Design and create promotional materials for sponsors, IFAGG members and AGG enthusiasts

Ethical and Anti-Doping Work

In 2027 IFAGG will continue to develop its ethical and anti-doping initiatives. These documents such as the IFAGG Code of Discipline, IFAGG Code of Conduct and the Judges' Code of Ethics will be implemented and will be monitored for implementation and regular updates.

Engagement with Global Sports Organizations

An important part of IFAGG's work is maintaining active involvement with world sports organizations, ensuring that AGG is represented and integrated into the broader global sports community.

Interaction with international organizations:

- IFAGG has already co-operation with EUSA (European University Sports Association) and IFAGG's aim is to develop connection with FISU (International University Sport Federation). AGG as students' sport offers a possibility to spread the sport. IFAGG also will consider other opportunities to attract students and organize competitions among student teams from different continents.
- The IFAGG Council will continue implementing its 2027 work plan for cooperation with universities. This will include establishing contacts with universities, giving presentations and speeches, organizing seminars and scientific and promotional AGG conferences in cooperation with universities, as well as other related activities. The Council will also continue its work with the Athletes' Committee.
- WADA- IFAGG Council continuation of activities on interaction issues, control over compliance conditions of fair sport and informing IFAGG members about the list of prohibited drugs
- IOC – on interaction and work on conditions of recognition by IOC. For this IFAGG will try cooperation with the Alliance of Independent Recognized Sports Organization, AIMS.
- IFAGG Council organizes work on the possibility of IFAGG participation in Islamic Games, Asian and Southeast Asian Games, World Games and will consider participation in other continental competitions.

Visibility and transparency in IFAGG administration work.

IFAGG is planning to introduce a new licensing and registration platform, the KSIS Forum. This would replace Hoika license register.

The new system would provide IFAGG members with a more efficient and user-friendly way to register their gymnasts, coaches, and judges. It will be fully integrated with the competition registration system, ensuring seamless coordination between member registration and event participation.

In addition, IFAGG members would be able to use the same platform for their own national registration processes, creating a unified and streamlined registration experience at both the international and national levels.
All members will receive preliminary introduction (expected in October 2026 in Samokov BUL in Live and Online participants) and all instructions by office staff and published on the IFAGG web page.

IFAGG web page is the only official channel for:

- Registration to all IFAGG sanctioned competitions and events.
- For publishing Newsletters, Council decisions.
- Publishing all documents after their approval, publishing all rules, regulations, news and other important information.

IFAGG will continue to provide its members with transparent, accessible, and easily available access to all IFAGG materials.

For 2027 IFAGG aims to provide:

- Educational materials for coaches and gymnasts
- Promoting materials for all members

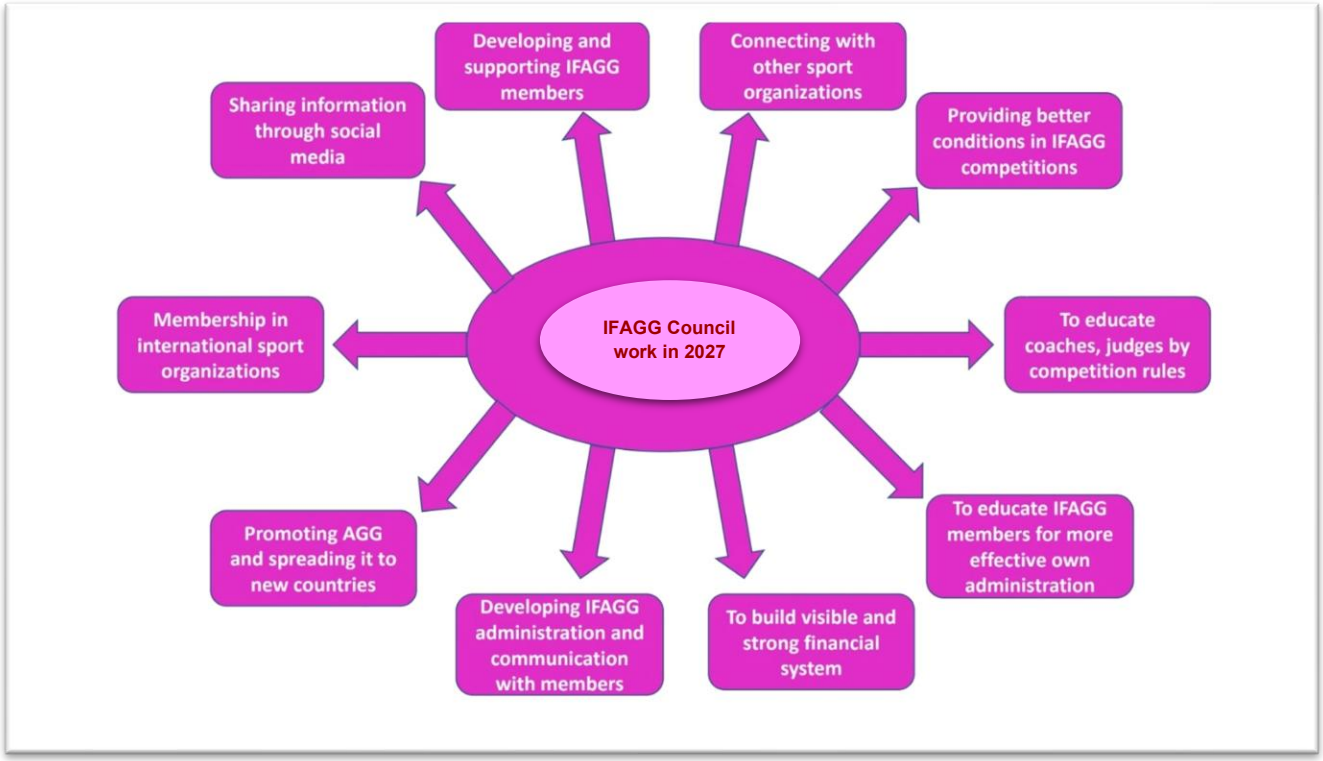
IFAGG Governance

The IFAGG General Assembly

The General Assembly consists of all IFAGG Ordinary members (A members), and Club members (B members) and it is the supreme body the IFAGG. Members have the right to be represented there. Council of IFAGG is elected by the General Assembly. Council will lead IFAGG between General Assemblies.

IFAGG Council

***IFAGG Council will continue the main work on the development and promotion of AGG in* the World**



The Council shall lead the IFAGG between General Assemblies. It organises its own work in accordance with the Statutes and the decisions of General Assembly.

Council consists of 9 members elected by General Assembly

President
Two Vice Presidents
Six Council members

IFAGG Council plan of action is to expand its IFAGG member training program in many areas. Priority areas will be related to the education program, control over the work on new rules, as well as the implementation of interaction tasks. The IFAGG Council will create temporary working groups to help the committees to solve specific tasks set by the General Assembly.

In 2026, the IFAGG Council held monthly meetings and maintained daily communication among all members. Its work, decisions, and actions were transparent and effective. In 2027, the Council will continue to operate with the same level of dedication, ensuring that the actions of IFAGG are carried out by all Council members. Each Council member will also have specific responsibilities and tasks assigned to them, contributing to the overall progress of the federation.

Each Council member has an active role and specific responsibility in areas critical to the development of IFAGG. This collective effort allows for faster, more efficient work and ensures greater transparency in governance. As in 2027, all Council decisions will be shared with IFAGG members through "Info Letters" and published on the IFAGG website.

The website will continue to be a key resource, providing even more valuable information for IFAGG members and attracting new members through its expanded capabilities in 2027.

Disciplinary committee

In 2027, the Disciplinary Committee will continue the work that began in 2024. The creation of this mandatory body was approved by the IFAGG General Assembly during its 2022 meeting in Graz, Austria. In 2025, the General Assembly elected the Chairperson of the committee, and the IFAGG Council appointed three additional members.

Disciplinary committee is authorized to investigate and sanction any breach of IFAGG Statutes and IFAGG Regulations. The committee is working with:

- Providing guidance/advice from an ethical viewpoint.
- Review, develop and prepare the disciplinary rules and related documents of IFAGG, e.g. Code of Ethics.
- Cooperate with the Council on IFAGG legislation and ethical and relevant matters.

IFAGG Committees of 2027

The following committees nominated by IFAGG Council will continue to work in 2027

Technical committee

IFAGG Technical committee (TC) will continue working in direction by the new elected members with mandate 2027-2029 and 1 Responsible person from IFAGG Council.

The main tasks to TC in 2027 will be focused over:

- Education of IFAGG judges and coaches in connection with the new Competition Rules, Junior and women categories.
- Evaluation of the new Competition Rules, Junior and women categories and updating the rules.
- Education of IFAGG judges and coaches in connection with the Rules for Mixed teams.
- Education of IFAGG judges and coaches in connection with the new rules for children's categories.

Promotional committee

Promotion committee consists of 8 members and 1 Responsible person from IFAGG Council. The members in the PC are from 4 different continents and were elected to lead the promotional work of IFAGG.

In 2022, IFAGG began developing a strategy for the future, initiated by the IFAGG Vice President. The growth of the International AGG Federation will depend on the collective efforts of all IFAGG members and committees to expand and promote the sport globally. The Promotional Committee (PC), in collaboration with the Council, will prepare a plan for special events and materials aimed at attracting sponsors. This includes the implementation of a global advertising project to promote IFAGG, raise funds, and create a sponsorship package. Many steps still need to be taken to make our sport more popular.

The project of "Development and education of IFAGG" was started in 2022 to promote and spread the sport of AGG. The main idea of the Project is:

- Develop and spread the sport AGG;
- Increase the number of participating teams in World Championships and Junior World Championships;
- Increase the number of IFAGG members in continents different than Europe;
- Increase the number of teams and gymnasts at national and international level;
- Educate coaches, judges and gymnasts on all levels.

IFAGG members can apply to participate the development program for 2027 in the following areas:

- Organizing and holding training camps.
- Organizing National Seminar/Judges course/Coaches course/Workshop.

NEW actions for PC in 2027

- Program for developing countries in Latin America, Africa and Asia
- Advertising IFAGG worldwide and raising funds for activities
- Promoting and developing the IFAGG partnership with our first ever sponsor SPIETH

- Making IFAGG Brand and promote the IFAGG activity by other way
- Make more action in developing the IFAGG social media to reach greater popularity and exposure

Asian committee

The Asian committee (AC) was approved by the IFAGG Council on the initiative of IFAGG President. The activity of the Asian Committee started in 2023. Similar continental committees can be set up on each continent with enough IFAGG members and enough number of countries. The main purpose of the Asian Committee is to develop the sport of AGG in the Asian continent. AC has continental calendar of competitions, seminars, events etc. for the year 2027. AC will continue to make suggestions and proposals to improve the work of IFAGG and engage in the development of the sport in accordance with regional characteristics and requirements.

Judge committee

The Judges committee (JC) was created in 2023, and it consists of 6 members and 1 Responsible person for the IFAGG Council.

The main tasks of JC in 2027 will focus on:

- Determine the execution procedure for the new Judges Code of Conduct.
- Interacting with Technical committee on organizing educational programs and courses for judges.
- Preparing analysis of judges' work during and after competitions.
- Execution of other tasks of IFAGG Council

Working groups (in some necessary areas)

If needed IFAGG Council will establish Working groups and new committees for more productive development of the federation.

IFAGG Office

The IFAGG Administrative Coordinator is the only salaried employee. Since the IFAGG office is located in Finland, the current Administrative Coordinator resides in Finland and is paid in accordance with Finnish financial policies and regulations. The Council defines the tasks, duties, and responsibilities of the Administrative Coordinator, while the IFAGG President oversees their work to ensure that Council directives are implemented. By decision of the Council, the Administrative Coordinator is also responsible for keeping meeting minutes, handling necessary business travel, managing social media communications, and collaborating with the IFAGG website coordinator. Oversight of the Administrative Coordinator's office work, including invoicing and payments, is managed by the IFAGG Secretary General.

For 2027 IFAGG will add dedicated support for marketing and promotion to increase the visibility of the sport and support the continued growth and development of the federation. The support will be arranged on a flexible, non-employment basis. At the General Assembly 2025, all members supported this initiative as an important step towards further strengthening and developing the Federation.

IFAGG calendar of competitions and events for 2027

In 2027, the IFAGG A Category competitions will take place across three different continents – Europe, Asia, and the Americas.

The first World Cup will be held in Luxembourg, marking the first time the country has hosted a World Cup event.

Kyrgyzstan will host World Cup II, while Armenia will once again host the IFAGG Children Championships and IFAGG World Cup.

For the first time, the World Cup Final will be held in Mexico at the end of October.
In 2027, the European Championships will take place in Bulgaria, while the World Championships will be held in France at the end of November.

In these IFAGG sanctioned competitions, IFAGG will make monitoring of all necessary actions according organizing of those events and will mentor the organizers of all IFAGG events.
