Dear IFAGG Members,

I hope this message finds you in good health. Thank you for attending the IFAGG General Assembly. The IFAGG Council would like to sincerely apologize for the technical difficulties and poor internet connection experienced during the recent IFAGG General Assembly. I fully understand the inconvenience and frustration that these issues may have caused and The IFAGG Council will take all necessary steps to prevent similar occurrences in the future as well as clarifying the instructions to the organizers of the General Assembly to prevent similar situations in the future.

I would like to draw your attention to the fact that you will receive the minutes of the General Assembly in the nearest future within the 30 days time frame from the General Assembly.

I would like to announce that the upcoming IFAGG Trophy in Estonia on November 21-22 will use the new rules for Mixed teams with one exception. In case that the team does not have enough male gymnasts, they will not be penalized. We continue to test the new rules for this discipline. This marks an important milestone for the competition as we continue to innovate and improve our sport. As a reminder, the Mixed Team Competition Rules are available on the IFAGG website. The Mixed Team Competition Rules have been developed to promote the sport of AGG and to ensure greater diversity in team composition. We look forward to your interest in participating in this discipline.

IFAGG is pleased to announce the official opening of the application period for the IFAGG Development Project 2025. This project aims to support the growth and development of Aesthetic Group Gymnastics worldwide and we encourage all eligible members and organizations to apply.
