

28th of February 2025

Dear IFAGG Members,

We regret to inform you that, due to unforeseen circumstances in Serbia, the **World Cup III, Challenge Cup III, European Championships, and IFAGG General Assembly** scheduled for June will be **postponed to the next season**. Unfortunately, this means that Serbia will not be able to host the **World Cup and Challenge Cup** events this year. We would like to express our sincere gratitude to the Serbian Federation of Aesthetic Group Gymnastics for all their dedication and efforts in preparing to host these events.

In light of this situation, the following adjustments have been made to the IFAGG event calendar:

- **June 26–29, 2025 – Larissa, Greece**
 - **World Cup III, Challenge Cup III, Balkan Games, and Mediterranean Countries Competition**

- **September 19–21, 2025 – Budapest, Hungary**
 - **European Championships, IFAGG Grand Prix, and B-category competition**

- **November 28, 2025 – Samokov, Bulgaria**
 - **IFAGG General Assembly** (held alongside the World Championships event)

The IFAGG extends its sincere gratitude to the Hellenic Federation of AGG, Pannon Aesthetic Group Gymnastics Association, and the Bulgarian Federation of Aesthetic Group Gymnastics for their invaluable support in facilitating these alternative arrangements.

We kindly ask all IFAGG members to stay informed by regularly checking the [IFAGG website](#) for further updates regarding these changes.

Thank you for your understanding and cooperation.
